**The Cancer Research Society is pleased to announce the launch of its 2016 Operating Grants Competition.**

Awarding operating grants annually is the principal means by which the Cancer Research Society fulfills its mission to support fundamental research, early translational and environment-cancer in the broad field of cancer and contribute to the advancement of science aimed at preventing, detecting and treating this disease. The Cancer Research Society Operating Grants Competition is open to researchers across Canada.

### Deadlines:

- Submission of Letter of Intent: **December 7, 2015** (Form available online on November 9, 2015)
- Submission of Complete Application: **February 17, 2016** (Form available online on December 18, 2015)

For any questions, please contact Lucille Beaudet or Irina Navarrete at [grants@src-crs.ca](mailto:grants@src-crs.ca) or call 514 861-9227, toll free 1 888-766-2262. For more, [click here](#).

**Embedded Clinician Researcher Salary Award:** Application deadline: March 3, 2016

The Embedded Clinician Researcher Salary Award funding opportunity is a priority-driven initiative funded through CIHR's Roadmap Accelerator Fund (RAF). The RAF is intended to support transformative and impactful research that aligns with CIHR's [Research Priorities](#) and is multi-disciplinary in nature. Scientific leadership and support for this RAF-funded initiative is shared with CIHR's [Institute of Health Services and Policy Research \(IHSPR\)](#) and [CIHR's Institute of Musculoskeletal Health and Arthritis \(IMHA\)](#).

**[Commonwealth Fund International Health Policy Survey Dissemination Award](#)** The Commonwealth Fund and its international partners conduct a survey in eleven countries including Canada that help measure and monitor health system performance over time. The target audiences for the surveys are rotated on a three-year cycle; in 2014, the survey pertained to Older Adults. The award is offered to trainees (graduate students, post-doctoral fellows) who publish or present the results of an analysis using Canadian and/or IHP survey data.

**Application deadline: December 10, 2015**

**Anticipated notice of decision: March 31, 2016**

**Funds available: \$2,500 for up to 10 awards**

## Events & Meetings:
