For more information, [click here](#) or contact Linda Chan at tranning@tvn-nce.ca or 613.533.6000 ext. 79331.

Commonwealth Fund International Health Policy Survey Dissemination Award 2015-2016 -

The Commonwealth Fund is a private foundation supporting independent research on health policy reform and a high performance health system. The Commonwealth Fund and its international partners conduct a survey in 11 countries that helps measure and monitor health system performance over time. In 2014, the survey focused on Older Adults

Objective of the Dissemination Award

to support dissemination activities arising from research analyses using Canadian and international comparative data from the 2014 Commonwealth Fund International Health Policy Survey. **Eligibility** The award is offered to trainees (graduate students, post-doctoral fellows) who publish or present the results of an analysis using Canadian and/or IHP survey data.

Award Up to 10 winners will each receive \$2,500 to publish in a peer-reviewed journal and/or present at an oral session at a national or international conference. Profiles of all 10 winners will also be published through various IHSPR communication vehicles.

- **Application deadline: December 10, 2015**
- **Anticipated Notification of decision: March 31, 2016**
- **Funding per award: \$2,500**

[To note: Data from the 2014 Commonwealth Fund International Health Policy Survey can be accessed from the CIHI website](#)

[For more information and to apply, visit the CIHR Funding Opportunity Database](#)

Canadian Healthcare Technology – Complimentary Webinar September 25 @ 12:30 pm - 1:30 pm. From medical devices and monitors to research interfaces and the EMR, today's healthcare enterprise requires a robust integration across complex systems to deliver a real-time 360 degree view of patients. Join this webinar to hear from the University of Michigan Health System's CMIO, Dr. Andrew Rosenberg, to learn how this institution is achieving their goal for internal/external operability in support of their enterprise analytics roadmap to support its clinical, research, education and administration. To register, [click here](#).

Engage NB Innovation Forum and Expo

When: Tuesday, September 29th, 2015 9:00AM
Where: Wu Conference Centre, UNB Fredericton Campus
Cost: FREE
Registration & Agenda: [Register Here](#)

**Please notify Alison MacNevin if you plan to attend.*

The Engage NB Innovation Forum and Expo is a must attend event that will match local entrepreneurs with decision makers in the **defense, transportation, life sciences, information technology** and **natural resources** sectors. Guests can expect to receive meeting opportunities with large firms and government representatives. Those in attendance will also learn about research and development project funding opportunities.

Prizes & Distinctions

Bernard Richard receives New Brunswick Human Rights Award. For more, [click here](#).

Collaborative Partnerships:

CCTCC enters year 2 of its mandate (and CTNB is a part of it!)

TVN: As NBHRF is looking forward to connect NB Health Researchers to this NCE that is filing for renewal this 2015 Fall toward a new 5 years' cycle of funding from 2016-17 to 2020-21. The TVN (Technology Evaluation in the Elderly Network) Improving Care for the Frail Elderly is quite appropriate for a province like NB that has the fastest aging population of Canadian Provinces. We can be part of this. Get engaged.
